Maintenance:

Ryan Pace is working on the website. He will be submitting a review for the Commission. Karen Pitsenbarger, County Administrator, will contact each County office to see if they would like to change their emails from the current ones to a shorter version with the website change.

Don Largent Roofing is not interested in constructing the awning at the Rescue Squad Building. Carl Hevener will contact James Alt to see if he would be interested in building a smaller awning.

The annual maintenance at the Library for heating and cooling runs around \$900 annually. Carole Hartman made a motion, vote unanimous, to add the Library's maintenance to the County contract with AQS.

Ronnie File has increased his mowing costs for the Courthouse. Karen Pitsenbarger will contact him to see if he still plans to mow around the parking lot on High Street and at the Community Building. If he is not, Carl Hevener mentioned that we may be able to get someone from the Drug Court that is required to do community service.

The final reports and drawdown for the Seneca Rocks Water Project were signed by the Commission President.

An update on the Opengov project through the West Virginia State Auditor's Office was given by Elise White, County Clerk. She stated that the County is now registered for this project and she is in the process of creating the required files needed to upload to the Auditor's Office.

On motion of Gene McConnell, all commissioners voting in the affirmative, they adjourned into Executive Session at 9:20 a.m. to discuss a personnel issue. No action was taken during the Executive Session. Motion was made to reconvene into Regular Session at 9:46 a.m.

Charles King, President of the Pendleton County Emergency Rescue, expressed concern in regards to concealed weapons on county property. Gene McConnell mentioned that in West Virginia Code, Chapter 61, it states that concealed weapons cannot be taken into the Courthouse or on School property, but does not address any other local government locations. The Commissioners recommended that he contact the State Attorney General for guidance. Mr. King then presented financial sheets indicating the reimbursement rates from insurance companies as compared to the actual fees charged by the squads. He will provide the Commissioners with profit and loss statements for the last three years as soon as they are available.

Upon motion of Carl Hevener, vote unanimous, the Commission approved the budget for fiscal year 2019-2020.
